Listing ID: Nevada #5398

Description:

Three acre market garden for lease in Nevada City. We are a nonprofit organization with 236 acres of land, of which three acres is a full market garden with a hoop house frame, 3 greenhouses, a washing station, a compost area, and worm bins. And an older pear and apple orchard is approximately .60 of an acre. Nonprofit owners are looking for a farmer or farmers to take on the garden and orchard and make them productive. The nonprofit runs school and camp programs and is interested in a tenant(s) that would be enthusiastic about bringing young people onto the farm to participate in those educational programs. Potential for housing on site and longer term agreement.
